O SOIL COnservation

INDEX

Volume 36 August 1970 to July 1971

Issued June 1972

SOIL CONSERVATION SERVICE
U.S. DEPARTMENT OF AGRICULTURE

For sale by the Supt. of Doc. U.S. Government Printing Office, Washington, D.C. 20402—Price 25 cents (single copy). Subscription price \$2 per year; 50 cents additional for foreign mailing. Index issues vary in price. This issue 15 cents.

SOIL CONSERVATION—INDEX TO VOLUME 36

United States Department of Agriculture, Soil Conservation Service

August 1970 to July 1971

Abbot, F. DeWitt: Wood crop gains in Kansas. With Glen Snell, p. 64

Abbott, Howard, forest (Ill.), p. 58

ACT, California Land Conservation, p. 130

aerial spraying sagebrush (Utah), p. 210

agreement, BLM grazing allotment and SCS ranchplanning unit, p. 282

Agricultural Research Service supervises technical studies for workshop (Idaho), p. 5

agricultural revolution depletes population, p. 99

Agricultural Stabilization and Conservation Service cost-shares—

Birdacre Sanctuary (Maine), p. 174 corpsmen conservation work (Utah), p. 81 dam and pool (N. Dak.), p. 152 drop-inlet structures (Nebr.), p. 106 gully stabilizing (Ala.), p. 128

pipe drops (La.), p. 174

rehabilitation (Idaho), p. 42 streambank erosion (Colo.), p. 168

wildlife habitat (Nebr.), p. 180 explains loans and cost-sharing (Idaho), p. 138 finances dam and canal restoration (Oreg.), p. 90

Frye Lake (Wyo.), p. 225

grass for wildlife (N. Dak.), p. 16

guidelines for lagoon waste-disposal systems (La.), p. 224

land use (Kans.), p. 160

on fire rehabilitation committee (Nev.), p. 62 plans for trees (Wis.), p. 184

ponds for ducks (Mont.), p. 175

Rural Environmental Assistance Program—

reservoir (Oreg.), pp. 224-225 terraces (Kans.), p. 233

waste-disposal lagoon (Okla.), p. 264 special projects program (Tex.), p. 87

woodland management (N.Y.), p. 88

ALABAMA-

Wiregrass RC&D, Eufaula, new state park, industries, and recreation, p. 269

Wiregrass RC&D, gullies, pp. 128-129

ALASKA, permafrost causes thermoskart pitting and subsiding, p. 108

Allan, David. Flatpea—new plant for wildlife. With Sanford D. Schemnitz, pp. 185-186

Allen, Dale D .-

Grass cover solves hospital's dust problem, pp. 30-31 Two million acres of grass, pp. 202-203

Allred, William M.: Trees that teach, pp. 10-11
All-year grazing lowers labor costs. Willie B. Irby,
pp. 88-89

Aloha, bagasse—farewell wastes. Otis Gryde, p. 216 Alverson, Kent: Firm looks to SCS for location help, pp. 112-113

And on his farm he had some ducks and crawfish. Billy R. Craft, pp. 248-249

Anderson, Glenn B.: A county in transition, pp. 254-256

Anderson, Sanford, Tunisia, p. 283

Anderson, Stanley M.: New beach adds new customers, p. 31

Anderson, Wallace L.: Review of Contours of change, the 1970 yearbook of agriculture, p. 165

Animal 'village' opens business. Clement A. Lyon, Jr., and Charles S. Brown, p. 89

annual report, pp. 134-138

appalachian, beef cattle farming (Ohio), p. 104

ARIZONA, children enjoy Plant Materials Center's nature trail, p. 89

Atkins, Truman: No-wash crossings are winning friends, p. 160

Attmore, Chuck and Toni (N. Mex.), p. 231

Avery, John (Tex.), p. 160

AWARD(S)-

conservation by the Department of Defense, p. 259 conservation to rancher (Tex.), p. 183

Farmer-of-the-Year to Pine Hollow Project (Oreg.), p. 225

tree farm, to Baptist Church (La.), p. 258 Ayers, Sam, range (Calif.), p. 40

Baer, Max: Hello, lagoon; goodbye pollution, pp. 243-245

Bagley, George R., land conversion (La.), p. 274 Baker, Harold and Betty, trees (Mo.), p. 87 Barber, Dick-

Girl Scouts dedicate camp to learning, pp. 79-80 Turquoise Trail—an open-ended dream, p. 231

Barkley, Clayton, beach (N.Y.), p. 31

Barnes, John T.: Farm-for-sale ad changes a county, p. 207

Barnes, R. C.: Soil and water conservation is big business, p. 148

Barrera, Reynaldo, crops (Tex.), p. 86

Battles, John E.: SCS plays role in community's plan, p. 65

Baumann, Edgar: A tale of two dams, p. 226 beautification of fairground (Ohio), p. 280

Before buying, board wants soil information. James E. Thorn, p. 115

Bennett, James S.: School districts share cost of conservation learning outdoors, pp. 3-4 Berg, Norman A .: Review of An economic evaluation of the Great Plains Conservation Program, p. 69

Berry, Neal C.: Fairground bids farewell to erosion. With Karl H. Reinhardt, p. 280

Best of all worlds, p. 15

Better canals mean more water. Elias J. Guerrero. pp. 86-87

Better dams for better lakes. Kenneth E. Grant, p.

Better range and cleaner air. Warren W. Brown, p. 40

Betts, Lynn: Learning irrigation at Lincoln, pp. 234-

Big job being done, and to do. Kenneth E. Grant, p. 167

Bintzler, Robert C.: Slurry trench stops water, saves money, pp. 157-158

Bird business. W. L. Wedel, p. 206

BLM and SCS continue interagency planning, p. 282

Bodie, Tom, grass (Nebr.), p. 38

Bohart, Charles V.: Outdoor fun instead of floods, p. 96

Boise College repeats environmental workshop. R. Neil Sampson, pp. 5-6

Boner, Dale: Full-season irrigation and recreation too. With Elwin Ross, pp. 224-225

Bonn, Richard I.: Farmers and town join to restore canal dam, p. 90

Booher, A. K.: District's first chairman enjoys a glance backward. With B. Q. Harrison, pp. 115-116

Boswell, Joe: A farm family that stayed, p. 201 BOY SCOUT(S)-

Indians sponsor Camp Asaayi Environmental En-

campment (N. Mex.), p. 78 models aid watershed project. Robert N. Morehouse,

plant shrubs on family tract (Mo.), p. 139

Brokaw, John F., farmer (Ill.), p. 41

Brooks, Bob, drums (N. Mex.), p. 204

Brown, Charles S.: Animal 'village' opens for business. With Clement A. Lyon, Jr., p. 89

Brown, Morse L.: A home in the woods. With Robert E. Greenlaw, p. 72

Brown, Warren W.: Better range and cleaner air, p.

Bryant, Raymond E.: Erosion controlled on carlot, pp. 250-251

Buchmeier, Roy H.: Face lift for Frye Lake, p. 225 Bucks and beef. Billy Craft, pp. 181-182

Buffelgrass finds Puerto Rican Home. Auerelio Sierra-Bracero and Emerito Martinez-Ruiz, p. 144

Build a better crossing-and save money. Ray Kubie, pp. 106-107

Bullard, Gary L.: New plant clears water and the air, p. 29

Bureau, Marvin F .: A sanitary landfill can be a good neighbor, pp. 276-277

Busch, Howard W.: Lake Dongola is ready in the nick of time, p. 186
